

### **The 3<sup>rd</sup> APEC Future Scientist Conference**

April 11-15, 2011, National Taiwan Science Education Center, Taipei, Taiwan.

Gold medal- **Amy Ng May Kay**

Bronze medal- **Nurul Amalina Ramli**

In Team Project Implementation, the students (from various countries) have to design and build their own Carbon-Zero Eco House.

Each groups, have to prepare a PPT file for presentation and a miniature model with only supplied material in a camp shop.

Assessment criteria; creativity, practicality, economical efficiency and presentation skill
